2014 International Symposium on Flexible Automation

July 14 -16, 2014
in Awaji, Japan
Awaji Yumebutai International Conference Center

<http://www-dsc.mech.eng.osaka-u.ac.jp/ISFA2014/>

Organizing Committee Co-Chairs

Toshiya Kaihara (Kobe Univ.)
Robert Gao (Univ. of Connecticut)

Executive Committee General Chair

Koichi Osuka (Osaka Univ.)

Publicity Co-Chairs

Yasuhiro Sugimoto (Osaka Univ.)
Shinobu Nakagawa (Osaka Univ. of Arts)

Publication Co-Chairs

Futoshi Kobayashi (Kobe Univ.)
Koji Iwamura (Osaka Prefecture Univ.)

Finance Co-Chairs

Nobutada Fujii (Kobe University)
Masako Sudo (FANAC CORPORATION)

Local Arrangement Co-Chairs

Kazuyuki Hanahara (Kobe Univ.)
Takateru Urakubo (Kobe Univ.)

Award Co-Chairs

Keiichi Shirase (Kobe Univ.)
Yasuhiro Takaya (Osaka Univ.)

International Relations Co-Chairs

Shigemasa Takai (Osaka Univ.)
Hirohisa Narita (Fujita Health Univ.)

Exhibitions Co-Chairs

Katsumi Moriwaki (Daido Univ.)
Kenichi Tokuda (Wakayama Univ.)

Registration Co-Chairs

Tetsuya Kinugasa (Okayama Science Univ.)
Yoshitaka Tanimizu (Osaka Prefecture Univ.)

Technical Tour Co-Chairs

Masatsugu Irie (Osaka Electro-Communication University)
Takashi Nishiyama (Panasonic Corporation)
Toshisada Mariyama (DAIFUKU CO., LTD.)

Secretariats

Keita Kurashiki (Osaka University)

Program Committee Co-Chairs

Hideki Aoyama (Keio Univ.)
Robert Landers (Missouri Univ. of
Science and Technology)

Advisory Committee Co-Chairs

Tohru Watanabe (Ritsumeikan Univ.)
Ming Leu (Missouri Univ. of Science
and Technology)

Sponsored by the Institute of Systems, Control and Information Engineers (ISCIE), the American Society of Mechanical Engineers (ASME)
Technically Co-Sponsored by The Japan Society of Mechanical Engineers, The Japan Society for Precision Engineering, The Society of Instrument and Control Engineers of Japan, The Robotics Society of Japan, IEEE Systems, Man, and Cybernetics Society Japan Chapter, IEEE Robotics and Automation Society Japan Chapter, IEEE Control Systems Society Japan Chapter, Scheduling Society of Japan

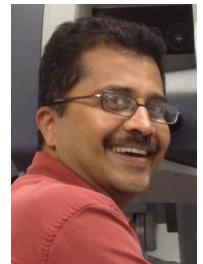

Call for Participant

The symposium, sponsored by ISCIE and ASME, was initiated in 1986 and the title "Flexible Automation" was selected as a general term referring to automation technologies essential to meet the increasing requirements of modern manufacturing. The symposium, sponsored by ISCIE and ASME, was initiated in 1986 and the title "Flexible Automation" was selected as a general term referring to automation technologies essential to meet the increasing requirements of modern manufacturing. The topics covered by ISFA 2014 include, but not limited to, the following:

- Robotics
- Mechatronics
- Modeling and Control of Dynamical Systems
- Sensors and actuators
- Intelligent Transportation Systems
- Sustainable Green Engineering
- Manufacturing Systems
- CAD/CAM
- Precision Machinery Engineering
- Additive Manufacturing

Program Committee is planning a wide range of organized sessions. We are looking forward to seeing you in Awaji.

Keynote Speakers

Prof. Junichiro Kawaguchi (Japan Aerospace Exploration Agency (JAXA))
Yoshio Izui, Ph.D. (Mitsubishi Electric Corporation)
Prof. David Dornfeld (University of California at Berkeley)
Pushkar Hingwe, Ph.D. (Intuitive Surgical, Inc)

Location

Awaji Yumebutai International Conference Center, Awaji-Island

- the place is a resort and conference center surrounded by a rich natural environment. In cooperation with the adjoining The Westin Awaji Island, we offer a wide variety of options for your activities and parties that you cannot experience anywhere else but in Awaji. The location is easily accessible from Kobe and Osaka Public Bus services from the Kansai International Airport also offer an easy access to the conference center.

Registration

The deadline of Pre-Registration is **June 14 (Sat.), 2014**.
Please refer the symposium webpage
(<http://www-dsc.mech.eng.osaka-u.ac.jp/ISFA2014/>) for details.
